Bring Global Announces the start of a new operation in Mexico and appoints Miguel Angel Torres as Managing Partner for the country

Lisbon, 15th of June 2021 - Bring Global is pleased to announce the opening of a new office in Latin America by establishing a new operation in Mexico (Ciudad de Mexico).

This addition expands upon our established Latin America offices, located in Chile (Santiago de Chile) and Colombia (Bogotá), and will underpin the continued growth and underline Bring's commitment to building market leading businesses across the region.

Lars Otten, Bring's Founding Partner, comments:

"We have identified Latin America as a key driver of our continued growth, so we are delighted to be able to announce the opening of our office in Mexico. I look forward to the continued development of our business in these exciting and high growth market."

To lead and oversee the company's new operation in the country, Bring is also pleased to appoint Miguel Angel Torres as Managing Partner.

Miguel has 25 years' experience in banking sector with solid experience in digital banking, product management, sales, strategy, compliance, financial markets and client fulfillment. He began his journey in the world of technology and innovation at Citi in 1992 starting to lead reengineering initiatives at Corporate Banking Operations.

Miguel holds a bachelor's in computer science and a MBA both from Universidad Iberoamericana.

"I'm honored and privileged to be appointed as Managing Partner. These are exciting times for the company and our clients, and we plan to work with them closely to help them achieve their goals and use every opportunity that this region offers", Miguel said.
